

Chairman's Report

In year 2016-17, The Joyous Foundation Limited has been active in organizing activities to provide a healthy, happy and stimulating environment to children and youth in need by music education in Hong Kong.

The annual key fund-raising event, "眾樂樂 Jam Sound" Band Concert for Charity was successfully conducted on 25th August 2017 (Friday) at the 1563 At The East Live Restaurant, Wanchai, Hong Kong. This event was aimed at raising funds to continue supporting the <Music for All> Programme that sponsors children's musical training courses. With good support from committee members and members of the Joyous Foundation, donors and media, over HK\$180,000 was successfully raised from the event. The Programme continues to support two schools, the Yuen Yuen Institute No.3 Secondary School (YY3 School) and the CUHK FAA Thomas Cheung Secondary School starting from Sep 2017 to provide music training courses as an extra-curricular activity in these secondary schools with a view to developing students' interest in music, building their self-confidence and improving their self-esteem. And this year, the Programme will expand to support the Po Leung Kuk Wong Wing Shu Primary School for new music classes.

More meaningful events were participated by the committee members, members of the Joyous Foundation and the participating students in this year. A summary of events and selected photos are shown in Appendix A.

Finally, I wish to acknowledge the devotion, effort and significant contribution by our Executive Committee and all the support of members of the Organization. I take this opportunity to thank all who have supported us; and look forward to enjoying their continuing support in future.

Yours sincerely,

Holun MAK Chairman
